Department of Computer Engineering

Cooperative Education Internship Period: From June 23, 2025, to October 17, 2025

Interests

I am a third-year Computer Engineering student at Kalasin University, Faculty of Engineering. I have a strong interest in web development and web application systems. I am passionate about learning and improving system development. I am seeking an internship opportunity to gain hands-on experience in the web development process within a real-world working environment. I understand the importance of teamwork and am eager to apply my knowledge effectively to contribute to projects and enhance my skills.
